## HORNER SCHOOL,

For fifty-four years 11 orner School has educated the pick of North Carolina boys. It has succeeded because it has desired to succeed. When a boy thoroughty establishes himself at this school he has already won success in life. It brings out the man in him. Why experiment with cheap schools? Get a good article at a good price.

An excellent dairy: 350 acres of hill and dale; tennis courts and ball ground; the influences of cultured women in the dining hall; individual attention to each student; fifteen boys to each teacher; do not some of these reasons appeal to you?

#### Democratic State Platform---1904.

#### Adopted at Greensboro, June 24 1904.

The Democratic party of North Carolina, in convention assembled, declaring anew its allegiance to the fundamental principles of government as expressed in former platforms, congratulates the people of the State that a Democratic administration has again established throughout their borders the reign of law and liberty and the reign of peace and progress. Radical rule, with its night-rare of horrors, has passed away. Our people are no longer employed in gnarding their homes and protecting their lives, lifterly and property as they were under Republican rule; but, safe in the pattention of law, breathing the air of liberty, and exceving the freelom which comes from security, our men and our women are deveting their energies to the peacent pursuits of honest industry, to the education of their children and to the care of the helpless and unfortunate. Agriculture, manfacturing and commerce are bounding forward in helpful rivalry, neither receiving nor desiring subsidies or protection except that afforded by a stable and honest government. Nowhere in North Carolina is there suffering or destitution. Such are the fruits of peace and order of honesty and efficiency of intelligence and patriotism, of Democratic administration under the leadership of the percless orator, statesmen and educator, Charles Brantley Aycock, and the other honest and efficient public officials associated with him in the State administration in all three departments of government.

North Carolina has again come into her own. She stands in the forefront of Southern: States, leading all in educational and industrial progress. Her sons are looked to at home and abroad for educational, incustrial and commercial leadership. Writt a contrast to conditions existing incently when the degradation of cur educational, charitable and penal institutions, through the vices, incompetency, extravagance and corruption of Republican boards of management caused the State to hang her head in shame and stand an object of pity among her sister States.

The Democratic party points with pride to its settlement of the race problem in North Carolina—a settlement that depends upon Democratic supremacy for its permanence. The Constitutional Amendment furnishes to all the people of the State safeguards of peace and order, of life, liberty and happiness, and guarantees educational, religious and social progr ss as well as industrial prosperity and development.

religious and social progers as wen as audustrial prosperity and development.

We re-affirm our constitutional declarations that "religion, morality and knowledge being necessary to good government, and the happiness of mankind schools and

means of education shall forever be encouraged," and "that the people have a right to the privilege of education, and that it is the duty of the State to guard and maintain that right," and we express our hearty approval of the ducational work of the present administration, and our gratification, at the great improvement made in our educational conditions under the present Democratic administration, and woold call attention to the fulfillment of the former premise of the party to provibe at least a four months' school term for all the children of the State. And we further express cur cordial commendation of the work of the teaching profession for the mental, moral and material advancement of the people, and pledge for the future our best endeavers to strengthen and increase the usefulness and efficiency of our whole public educational system.

We approve the general principles of the Watts law regulating the manufacture and sale of liquors, and limiting the same to localities in which there may be adequate police protection. The principle that no saleon or still shall operate txcept under police protection is as sound as that whiskey shall not be sold to minors, to drunkerds, or on Sundays, or near the schools and churches. The General Assembly has the pewer, and when controlled by the Democratic party can be trusted to make all amendments that experiences and conditions nay demonstrate to be wise and proper. The contrast between the present and the

The contrast between the present and the preceding administration of the State Prison speaks trumpet-tongued of Democratic efficiency and Republican rascality and imbedity. In all the history of the State the lowest level of immorality, venality, and induminity was reached in the management of the State convicts under the administration of Daviel L. Bussell. Teday the institution is free from debt and has on hand a surplus large enough to pay the bonds necessitated by Republican peculation and inefficiency. We pledge the party to continued business-like and humane management of this institution.

We call attention to the success that has attended the establishment of the insurance department which has increased our annual receipts by \$90,000, and furthermore, in addition to this increase, that fees now received by the State in this department which formerly were allowed to the official cellecting them, are more than enough to ever all increases and additions in salaries of eventive and judicial officers.

ries of executive and judicial officers.

We pledge the party to a fair and just system of taxation in which all subjects of taxation shall bear their just and equal proportions of the burdens of government.

After long and careful deliberation and conserved with many of its creditors, the State of North Carolina adjusted its debt upon a basis so fair and honorable as to

win the approval of the financial world and to secure ratification by nearly every crediter of the State. During the present year attempts have been made to re-open the question settled at that time by the State's wisest and best man. The Democratic party of 1904 approves the settlement made in 1876 and will forever oppose any and all att mpts from any quarter to set aside the settlement then made. It will abide the mandates of the courts but it will not consent to reopen the settlement that was alike creditable to the State and fair to the holders of its securities.

The Democratic party established the system of pensioning Confederate soldiers and opened the Soldiers' Home to the care of the vetrans who responded to the call of the State in the War Between the States. Every dollar given them was appropriated or forced by the Democratic Legislature or Democratic public sentiment. We pledge the party to a fuller discharge of a debt that can never be fully paid to these aging heroes who offered their lives as a sacrification upon the altars of their country.

We point with pride to the record of the Democratic party in its care of the unfortunate classes of our State and promise to economic to enlarge our charitable institutions until all the indigent insane are cared

for at the expense of the State.

Corporations being creatures of the law should be under control of the sovereign and amenable to the law. But being useful and necessary incidents of business, all their rights should be guarded and protected by the law. Like other citizens they should be protected from wrong and oppression. Especially should they be protected from suits in form to procure receiverships ceigned to wreck the properties and transfer them from their rightful owners to the possession and control of financial adventurers.

We call upor Corpress to enact laws clearly defining the powers of Federal Judges in the appointment of receivers and to protect corporations against improper and illegal

appointments.

We favor the establishment of the Appalachian Forest Reserve, and urge our Senators and Representatives to continue their efforts to secure the establishment of the some.

At no period in the history of the republic has the Democratic party been so necessry to the welfare of the people and the cause of free government, as it is teday. A great conservative force, it stands a barrier between the recklessness of organized greed and the desperation of oppressed humanity. Its mission is to give liberty and justice to all, monopoly and tyranny to none; to restrict the Federal government within the constitutional limits of its authority, to resist its every aggression beyond the scope of its delegated power; to limit its power of taxation to the needs of the government economically administered; to distribute impartially the burdens of government; to preserve unimpaired the reserved rights of

win the approval of the financial world and the States and of the people; to maintain to secure ratification by nearly every crediter of the State. During the present year and have always been made to re-open the reental principles of the Democratic pairs.

It is especially messary to restrict the executive head of the Federal government within the constitutional limits of his authority, and no argument of temporary expediency can justify the assumption by him of powers conferred exclusively upon the legislative department of the government or the violation by him of plain provisions of constitutional, statute and treaty law.

For the last eight years the Republican party has been in complete control of the Federal government in all its branches, During that time trusts and monopolies have neultiplied. They have increas d their exthe Republican party and compel it to administer the affairs of the republic in their selfish interest. We condemn the President for his surrender to trust influences and for his failure to enforce the law against monopolies and monopolists. Congress appropriated \$500,060.00 to employ special counsel to enforce the laws against trusts. In tw-lve months he expended for such purpose only one-twentieth of that sum. In the midst of crime and havor committed by these wrongdoers, he will not stop the violation of statutes enacted for the protection of the people, nor punish the crimina's who plunder them, although his attention was called to the manner in which the perpetrators might be punished by recent decisions of the Supreme Court.

We denounce the present iniquitous, unjust and trust-creating protective tariff imposed upon the people by the Republican party and demand its immediate revision, to the end that all unjust burdens shall be removed, and especially those apon the necessaries of life and those that enable the trust to extori from the people unreasonable profits and to sell their products to consumers at home at greater prices than are charged for the same goods to the foreign consumer.

We review with alarm the growing tendency of the government under Republican administration toward despotic centraliza-tion at home, as well as despotic imperialism abroad. We denounce the policy of the Republican party in building up a strong centralized government at Washington at the expense of the sacred rights of the sovereign States; that which in its policy and conduct has reversed the clause of the constitution, reserving to the States all rights not specifically conferred upon the Federal goverpment, and has assumed for the central government at Washington the vast residium of power solemnly guaranteed to the peo-ple by the constitution. The inevitable consequence of this policy and practice will be the destruction of popular government and the establishment of a military empire. Confidently relying upon these fundamental principles of government and app aling to the record of our party in the past, we in-

vite all who believe in popular liberty, pop-1 ular education, popular government and white supremacy, in freedom, both at home and abroad, in honesty, efficiency, simplicity North Carolina Democratic rule and in de-and economy of administration, in the re-stroying Republican misrule in the United moval of monopolies and oppression, under States.

#### Republican State Platform--- 1904.

1. The Republican Party of North Carolina, in convention assembled, at Greensboto, North Carolina, on this the 1sth day of May, 1904, hereby endorses and ratifies the principles and policies enumerated in the platforms of the National Republican Party, adopted in 1896 and 1900. In spite rarty, adopted in 1896 and 1990. In spite of Democratic opposition the policies and principles of our party have been written into law, and we point with pride to its achievements. It has blessed our country with unparalleled prosperity. It has carried happiness to every home. It has expanded our commerce. It has broadened our territory. It has made surrous our justice. territory. It has made supreme our influence at home and abroad. It has raised our credit, until today it is the highest in the world. It has ever stood for universal free dom, and has carried the blessings of liberty into the islands of the sea. It has held our horor unsullied, and our flag untarnished, until we have taken cur place as the arbiter of the nations of the world. Throughout is long lease of power, its Presidents and leaders have always leen equal to the greatest demands: and now the country, with all its vast and varied interests, has a Republican President in the person of Theodore Rocsevelt who has shown himself no less equal to every enurgency, who has developed a statesmanship that entitles him to the confidence of the nation, and for these reasons we hereby endorse his administration and pleage our earnest support for his nomination and election.

2. We endorse the Republican administration in protecting the rights of the people against monopolies, trusts and other un-

lawful combinations.

3. We endorse the Republican party for its action in constructing the Panama Canal, and the people of the United States from all sections, especially from the South, are to be congratulated upon the prospects of so soon securing the great interpocanic vaterway which will give new impetus to the nation's commerce, and prove a tlessing to the country at large, and especially to the South.

4. We endorse the foreign policy of ex-4. We endorse the foreign porty of various of the Republican party by which Porto Rico, Hawaii and the Philippines lave leen annexed to the United States, thus opening up a new market to the manufacturers of this country.

5. We endorse the Republican party for

liberating the Cubans from Spanish tyranny and oppression, and point with pride to their success and progress since the estallishment of the Republican form of government.

6. We deplore the death of the lata Sana-

tor Marcus A. Hanna, and recognize in his exalted life and character the highest type ci the patriotic citizen, the Christian gentlemar, and the wise statesman, and cherish his life history as one of the most orecicus buritages of the Republican party.
7. We most heartily endorse the able,

feurless and aggressive course of Hon. Thos.
S. Rollins, our State Chairman, and com-used his efforts for the success of the party

in the State.

8. The Republican party favors the Appa-lachian Park, and we promise to use all henorable means to bring about legislation

establishing the same.

9. We favor the education of the masses. but denounce the practice of the present Democratic State administration in its efforts to make the common schools a part of the Democratic machine, to be run for partisan purposes, until their usefulness bas teen greatly impaired and those most in need of education largely deprived of its advantages. We pledge ourselves to the correction of these abuses, and to so amend the law as to remove our free schools as far as possible from the realm of polities, and thus prevent their being diverted to parti-san advantages, and to give to the system an elasticity that will inure to the nest interests of those most in need of its help.

10. The Republican party favors generous

public aid to all charitable institutions in the State, and the enactment of pension laws more liberal and just to the old Con-

federate soldiers.

11. We dencunce the policy of the Demo-cratic party in its effort to destrey those they cannot use for partisan ends, which has resulted in driving both labor and capital from our State, thereby decreasing the sources of tavation at the very time their administration has bankrupted our treasury.

12. We denounce the management of the Atlantic and North Carolina Railroad and Hotel by the Democratic party as incompetent, corrupt and extravagant, and declare that we favor the leasing of that property. and promise the recple of North Carolina that if elected to power we will forever put an end to such scandals as have recently teen brought to light in connection with its management. We denounce the Governer's star chamber investigation of that road and declare that the secret and clandestine investigation into its affairs was an outrage and a disgrace, and one which the citizens of the State should not tolerate.

13. We denounce the hypocray of the Dem-ecratic party in its effort to deceive the people by saying they had not raised the late of taxation, while they have forced an

islation, have created a commission for this express purpose, and have thereby largly increased the burden of taxation upon our people. As an evidence of this, we ask every tax over to compare his receipt for the taxes of 1903 with those of former

14. We denounce that policy of the Demcratic party that continuously and insid-tously attacks local self-government by legislative appointment of Justices of the Peace, County Commissioners and other officers all over the State, and demand that all peatters pertaining to local affairs and the voters of the communities and counties

1. We denounce frauds, robberies, intimidation in elections, and we appeal to the lion st citizens of North Carolina to use their best efforts in seeing that the coming election is free from corruption, and is con-

ducted honestly in all respects.

16. We denounce that spirit of anarchy in the Democratic party that prompted our Gevernor to say he would have emptied the State Tresury in actense of these indicated for election frauds before one of them should be convicted, and we condemn the Democratic machine for defending criminals at the expense of the taxpay rs.

17. We condemn the Democratic party machine for its unwarranted efforts to impeach our Supreme Court Judges for partisan purposes.

We favor, is we have ever favored,

increased valuation on all property by leg- just and equal laws for the promotion of for are equal laws for the profitorion of temperance, but in pursuance of our time-bonored policy of Local Self-Government we have a law which submits to the qualified veters of the several countries and incorporated towns of the State, at their request, the question of whether they shall or shall not be permitted to make and sell intoxicating liquors, and the faithful execution of their will as expressed at the ballot box.

19. We denounce the present State administration as being the most extravagant in the history of North Carolina. The year 1903 cost the taxpayers the enormous sum of \$2,201,604.31, or nearly as much as was paid out during the entire four years of Clovernor Vance's administration from 1877 to 1881.

20. We denounce the policy of the Democratic party that has left as a legacy to tuture generations ar addition to our State debt of more than five hundred thousand

21. We cordially invite all persons, irrespecifies of party affiliation, who are op-posed to oppressive taxation; opposed to star chamber methods; opposed to class legislation; opposed to extravagance and mis-management, and all persons who favor more economic administration of or State and county affairs: who favor the leasing of the Atlantic and Neith Carolina Railroad; and who believe in expansion, sound money and protection to unite with us in overthrowing the Democratic machine in North | Carolina

STATE DEBT.—The old debt, excepting such as is not recognized, has mostly been funded under the funding laws of 1879, the time prescribed for the exchange having zero extended to January 1, 1905. These laws provided for the issue of (1) consolidated 4 p. c. bonds due in 1910 to fund old ante-war bonds at 40 per cent of face value, "New" railroad bonds recognized as valid at 25 per cent, and bonds of 1866 and 1868 at 15 per cent, nothing being given for overdue coupons; and (2) for new consolidated 6 per cent bonds due in 1919, for which the North Carolina RR. construction bonds were made exchangeable at par, holders of construction bonds abating \$240 of overdue interest on each \$1,000 bond. The new bonds, both 4s and 6s, carry tax-receivable coupons, and are exempt from "all State, county or corporate taxation or assessment, direct or indirect, general or special." The 4s of 1903 are also exempt from taxation. (See decision U. S. Supreme Court v. 78, P. 594; v 78, p. 1218; v 79, p. 1798.)

An amendment to the State Constitution passed by the Legislature in 1879 and ratified by popular vote in 1880, forbids the General Assembly to pay or recognize as valid the following bonds: Special tax bonds \$11,306,000; bonds to Chatham RR., 1868, \$1,030,000, and to Williamston & Tarboro RR., \$150,000; Penitentiary bonds of 1868, \$44,000. The special tax bonds are in 3 classes, class 1 bearing the coupon of April. 1869, and since; class 2 bearing the coupon of October, 1869; class 3 bearing the coupon of April, 1870, Holders of the special tax bonds brought suit to establish the validity of their bonds and the case was decided in favor of the State.

The recognized debt which had been adjusted up to December 1, 1908, stood as tol-

PAR VALUE OF BONDS.—The consolidated 4s are \$50, \$100, \$500 and \$1,000; the consolidated 6s \$1,000 cach. The prison bonds are for \$500 and \$1,000 cach. The bonds of 1905 are for \$500 and \$1,000 cach.

INTEREST on the consolidated 4s and 6s is payable in New York at the National

Park Bank and in Raleigh.

TOTAL DEAT RECOGNIZED AND TOTAL ADJUSTED.—The funding act of March 4, 1879, has been extended to January 1, 1905. The recognized fundable debt which has been funded and the recognized fundable debt which has not been funded are at follows:

	Funded.	Not funded.
Consols 6 per cent	 \$2,720,000	\$22,000
Consols 4 per cent	 3,408,950	210,250

To the foregoing we should add the further fact that the State does not have to raise money for the interest on the six per cent bonds for the reason that the lease of the North Carolina Railroad provides a fund for the payment of the interest thereon, and the State holds three millions in the stock of the road, which is sold would much

more than pay the principal. In addition the State holds other stocks and bonds to the value of \$1,274,350; total \$4,274,550.

ASSESSED VALUATION- The State's assessed valuation prior to 1903, was made on the basis of about 2-3 of the cash value, which accounts for the large increases in that
